

HELLO! I'M BRUNO AIRES

I'm a passionate designer that makes everything to provide the best services in **Graphic & Web** fields. My first goal is to create meaningful experiences that truly matters for each client. I'm always on the lookout for the latest cutting-edge technologies to streamline my clients' projects. Whether they want to follow their own vision or start an idea from scratch, I always focus on creating the best match for reach the goals. Stunning and intuitive design is essential to a brand story, I ensure that my expertise guide every project thru innovative choices that make a brand be effectively communicated and impress more clients.

PRIZES AND RECOGNITIONS

SP@Coimbra
startuppirates.org
@Coimbra

3rd Place in Startup Pirates

Under the acceleration program for potential entrepreneurs, I received together with my teammate, André Espinha, the 3rd prize in the competition with our project for a rating platform called "GATE". This prize was awarded based on the performance demonstrated over a week of intense work, culminating in a presentation of our project to a jury composed of four entrepreneurs from Coimbra.
